

“Your generation is unique. You’ve never known a world without the internet; your parents can’t say that. You’ve lived through a global pandemic; something you’ll probably never forget. You’ve seen radical shifts in how society thinks, acts, and works – some good things and some not so good things.”

Excerpt from Introduction of “Revival Generation” by Shane Pruitt.

Join Ms. Tina for an 8-week Bible Study about “Awakening to a Movement of God”. We will be exploring what being a revival generation can mean for you, God, your family our church and the community.

The format includes a weekly in person group meeting and a few weekly activities for you. Beginning week of June 10th.

Exact time and location TBD based on those who sign up. I am hopeful our location can be at individuals’ houses.
