

Pleasant Plains Preschool

A Ministry of Damascus
United Methodist Church

About Us

We are licensed by Montgomery County as a Private Educational Institution and are registered by the Maryland State Department of Education as a Private Religious Preschool. All of our teachers have training in Early Childhood Education. We offer:

- Well-balanced curriculum with ample play and learning time
- Classes for ages 2-5
- Meet twice, three, or five times weekly
- School day class extension
- Class sizes allow for much individual attention

Registration

Registration is held in January. Spaces are sometimes available through the year, so don't hesitate to call us to schedule a visit. We are delighted by your interest in our school and would love to share the exciting adventure of preschool with you and your child.

OUR CLASSES

Our curriculum focuses on our student's social, emotional, physical, spiritual, and academic growth. A typical day consists of varied activities, including art, cooking, fine and gross motor skills, literature, music, science, social studies, and readiness skills for reading and mathematics. Each week's literature, art projects, songs, guest speakers, games, writing activities, and more will all relate to the letter of the week.

OUR FACILITY

- Maryland State Department of Education classroom approval
 - Fenced in playground
 - Weekly chapel service sanctuary participation
- The chapel service is a time to hear stories from the Bible and learn of God's love for us through pictures and songs. All classes also participate in a special monthly music class which includes the use of different rhythm instruments

PARENTS

We invite all of our parents to become a part of the classroom. We encourage parents to volunteer in the classroom and attend our special celebrations. Parents, family members, and friends are invited to our Christmas and Easter services to see what the children have been learning.

Often parents or community members visit our classrooms to share their exciting careers and hobbies. Parent meetings are scheduled for each child in January and provide an opportunity to discuss a child's progress. The director and teachers send home calendars and newsletters to keep in communication
